Tomasz Morawski (Head Coach, England Central Girls) “We have 12 strong players in our squad which we were able to demonstrate in this match. It was important that the girls kept their discipline from training. We respect all teams in this tournament; if we are not totally on our game, we can be beaten by anyone.”

Ian Walker (Head Coach, Northern Ireland Girls) “Kerry Kirkpatrick had an excellent game as setter, she’s one to watch out for in the next matches. Sorcha Macguire also served very strongly. We’re looking forward to meeting all our other opponents, England North looked particularly strong in training so that could be a tough match.”

Dave Roberts (Head Coach, England North) “We’re a little disappointed with our performance, we were much stronger in the holding camp and didn’t execute our game plan. A win is a win though and tonight we’re going to rest, check injuries and make sure we’re well hydrated for tomorrow.”
