

SCOTTISH VOLLEYBALL ASSOCIATION

Junior National League Player Registration Form

All players competing in any Scottish Volleyball Association organised competition **must be registered with the Association by the time they play their first match**, i.e. before they take to the court on the first fixture of the season. **A maximum of two players may register on the day of the match but this must be in accordance with the conditions stated in Rule 4.1.** It is therefore essential that the deadlines be adhered to.

Players should be recorded on the Collective Licence for that team, as individual registration cards are no longer issued. The Collective Licence will include the registration number and photograph, and bear the official seal of the SVA; **without these the Collective Licence is not valid.**

Team Secretaries should return this form for validation for 2010/2011, or complete the registration process online. Details of any new players must also be included on this form and the Team Secretary should enclose or attach a photograph of each new player to be registered (passport size, or sized to 35x45mm/4x5 inches). **Player Registrations will only be accepted if the correct fee is enclosed, and a photograph of the correct dimensions is supplied for each new player.**

For Under 19 competition, all players must have been born in 1992 or later to be eligible in this season of competition.

For Under 16 competition, all players must have been born in 1995 or later to be eligible in this season of competition.

If all player registration forms are not received by the SVA before **Friday 1st October 2010** then the team in question will not be eligible for playoffs.

In order for an individual player to be eligible for playoffs, they must be registered before **10th January 2011**. **This is replacing the 30% rule from previous years.**

THIS FORM SHOULD BE COMPLETED BY THE TEAM SECRETARY.
