## Where did you start to play Volleyball?

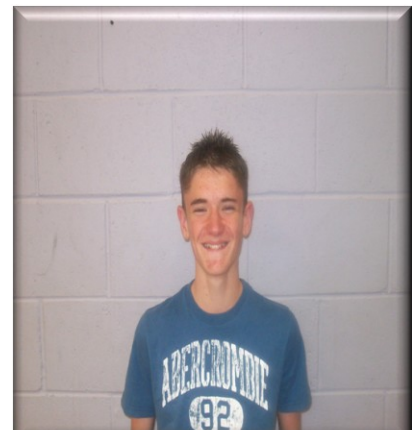

I started to play volleyball at high school. Then I went on to play at Carluke Ragazzi and I am involved in the ICG programme.

## Why did you start to play Volleyball?

I tried volleyball in PE with Mr Coburn and really enjoyed it. It also gave me something to do at lunch times.

## How do you think you are doing?

I think that I am doing really well at the moment and we have played well in a number of competitions including the JNL, Festivals, Mini Leagues and the UKSQ trials last year which I am looking forward to this year.

## What do you enjoy most about Volleyball?

I enjoy hitting the ball and spending time with my friends that play volleyball

## What do you want to achieve from Volleyball in the next 3 years?

I would really like to play for the international children's games team in 2011, play for Su Ragazzi and at the UKSQ for Scotland.
