Where did you start to play Volleyball?

I started to play volleyball at high school. Then I went on to play at Carluke Ragazzi and for the international children's games squad.

Why did you start to play Volleyball?

I started to play volleyball because it looked really fun and my brother plays it and he said that it was really good.

How do you think you are doing?

I think that I am doing well given that I have only been playing volleyball since August.

What do you enjoy most about Volleyball?

I enjoy everything about Volleyball. I think that it is really fast & exciting to play, although I do enjoy playing games the most.

What do you want to achieve from Volleyball in the next 3 years?

I would like to play for the international children's games team in 2011, play for Su Ragazzi and at the UKSG for Scotland.
