Teacher Release Grant Scheme Information

Thank you for requesting information and an application form for the SVA's Teacher Release Grant Scheme.

The scheme is sponsored by the Scottish Schoolsport Federation.

Primary and secondary schools **currently affiliated** to the SVA are eligible to apply for a grant towards release of teachers from school where those teachers are actively supporting volleyball. Time away from school for supporting, organising, training for or delivering volleyball is considered.

Applications are accepted at any time of the year and the current round is open until March 2009.

All applications are considered on merit AND on a first come, first served basis where they are completed in full. Please note that all applications must be signed by the School Head or Deputy School Head.

Some examples of previous successful applications include:

- release of two teaching staff for two days, allowing them to organise and deliver a National School Volleyball Festival
- receiving a contribution towards the cost of release of a teacher to accompany the Women's National Volleyball Team to the Faroe Islands as Team Manager
- subsidising teacher's attendance on a Volleyball Coach Education Course run by our Coaching fraternity
- release of a teacher to accompany school team's attendance at National School Volleyball Festival.

The list above is not exhaustive.

A successful application isn't so much of a 'win - win' situation. It's more of a 'WIN – WIN - WIN!' Teachers benefit by experiencing and learning through their involvement in a dynamic sport. We benefit by having more great people on team SVA. Schools benefit by receiving financial compensation that can be used towards the cost of supporting volleyball.
