

## S2/3 National Volleyball Festival, The Gordon Schools, Huntly, Friday, 26 March 2010

On Friday 26 March 2010 The Gordon Schools, Huntly was the venue for the S2/3 volleyball festival. A total of 7 girls teams and 10 boys teams entered the festival with teams from Huntly, Inverurie, Kemnay, Banchory and Brechin.

The girls teams played round robin competitions in the morning and afternoon sessions with the Gordon Schools A team showing some excellent team play to win the overall competition.

The boys played in two pools in the morning, followed by cross over games before going on to play in two pools in the afternoon. The boys competition was a close event with Inverurie Academy B and The Gordon Schools A team losing one game each and finishing on equal points. However, after a count back of points scored during all games, Inverurie Academy were successful in winning the boys festival.

In addition, the most valuable players of the festival were Abby Proctor and Sam Stokes both of The Gordon Schools who were chosen by teachers from Brechin High School and Inverurie Academy.

The festival had a super atmosphere with players making excellent progress throughout the day in terms of their individual skills, team play, as well as their ability to officiate on games.

Many thanks are due to The Gordon Schools PE Department for their assistance and organisation throughout the day, helping ensure that the day ran smoothly and was enjoyable for all.
