

**P6/7 National Festival.
John Wright Sports Centre – East Kilbride
Thursday 11th March 2010**

The primary event is what Volleyball festivals are all about. Youngsters excited about playing the game, not caring about the result and speaking to new people. The event is always a pleasure to be involved as it reminds you why you got involved in volleyball yourself!

The halls were set up and as usual our every request was fulfilled by the centre and its staff. Pupils arrived from Calderglen High School, well prepped and versed in their duties for the coming day. All the teams arrived on time and no major surgery was needed on the tournament format!!

The festival ran like clockwork and everybody did there bit; the kids played, we organised and everybody had a great time.

Special mention has to go to Miss Stewart and her pupils from Calderglen High school who did an excellent job on the day and were a major factor in the events success, well done and thank you for your help!

The final places are below and i look forward to seeing you all again at next year's event!

Cheers.
