

S4/5/6 National Festival

Kelvin Hall International Sports Arena

Friday 19th February 2010.

The festival was welcomed back to Glasgow after an enforced break last year and was much anticipated amongst the staff, pupils and organisers.

The morning pools played out in their usual manner with the players displaying passion, determination and a lot of very good Volleyball. It was pleasing to see some new faces amongst those we have become accustomed!!

The afternoon sessions continued in a similar vein, with a lot of excellent volleyball and highly charged competitive spirits that led to a number of very enjoyable matches.

The eventual winners were Marr College, who claimed both the boys and girls competitions. Well done to Mrs Reid and the Marr College pupils for their successes.

I would also like to thank Sandra Grubb, Iain Cook and John Carden for their assistance, organisation throughout the day and in ensuring that the festival was a success. I would also like to thank the staff at the Kelvin Hall ISA for providing us with an excellent facility and Gillian McGuire for her support in organising the event.
