

Glasgow Mets 2 saw their first triangular fixture on Saturday 24th October against both Livingston Lizards (who mets2 had beaten in the cup) and Edinburgh Jets 2.

Mets saw the same 6 take to court as their previous game 3 weeks ago and knew they had to play the best possible at all times to avoid having to play potentially 10 sets between the two games.

The first game was against Livingston lizards who were set for revenge after their cup defeat.

First set was even all the way through with only 1-3 points being in it at any time with both teams making mistakes and giving the other team points. Mets did manage to finish out the first set with a win at 29-27 after Livingston had a few set points.

Livingston came back in the second set to take it 25-23 with what was another close set.

Mets got a huge swing in the 3rd set going from 5-4 down to 16-4 up in one rotation when Martin Wiese was at the serving box. Livingston did manage to bring it back a bit but the huge gap created by Mets was too much which won them the set 25-20

Mets came out at the 4th fighting and managed to take the set 25-14, winning the first game in the league 3-1.

Mets second game was against Edinburgh Jets 2 who had just come from a 3-1 defeat against Livingston.

Mets started the 1st set poorly being down all the way until 12-12 after what seem like a bit of rust with the break to officiate. Once Mets got back into the swing of things the performance

started to pick up and a 6 point gap created when Craig Girvan went to the serving box. The set was won by Mets at 25-18.

Mets continued to improve in the 2nd and 3rd set although some moments of switching of with tips from Jets kept them fairly close. The sets were closed out by Mets 25-21 and 25-18 to get the 3-0 win and take home two victories for the day

Glasgow Mets player of the day was Ross Gillespie with a great overall performance through both games.

Mets2's next fixture will be on Saturday 7th November in the cup.
